# **SOUTH DEVON PERFORMANCE CHAMPIONSHIPS**

## **Background**

This is the fourth year that the South Devon Herd Book Society is holding Performance Championships in which performance recording breeders from across the country are invited to compete.

This technical event is a showcase for Breedplan performance recording South Devon herds, to highlight the importance of Estimated Breeding Values as a tool for breeding selection.

This year's Championships are being held again within the National Beef Association's Beef Expo at Shrewsbury, and the Society is very grateful to the NBA for providing this venue and for their welcome.

## **Judging**

Each class will be judged on inspection of the animals, and on their performance (Quality Beef Index for each bull and Suckler Replacement Index for each female) and will be placed accordingly.

From these winners will be selected the Male, Female and Breed Champions.

## **JUDGE:**

**To be announced**

## **CHIEF STEWARD:**

**Mr John Wakeham, Launceston, Cornwall**

## **BREED SECRETARY:**

**Mrs Caroline Poultney**

## Classes

Entries will be taken for bulls and heifers aged between one year and two and a half years on the date of the Championships (25<sup>th</sup> May 2018).

Entries will be restricted to pedigree registered South Devon cattle which are owned and exhibited by South Devon Herd Book Society members who participate in the South Devon Breedplan recording scheme.

All classes will be judged on a combination of inspection and performance points based on Quality Beef Index (QBI) for bulls, and Suckler Replacement Index (SRI) for heifers.

The highest placed animal on inspection will receive the equivalent in points to the highest QBI (bulls) or SRI (heifers) of those animals in the ring; and the lowest placed animal on inspection will receive the equivalent in points to the lowest QBI or SRI. The remaining animals will receive points at the judge's discretion in between the two previous points. These points will then be added to the animal's own QBI or SRI, and the animals will be pulled forward in order of the highest combined points. In the event of a tie the animal with the highest QBI or SRI will be placed highest.

### **Two sections will be catalogued:**

- Bulls between 1 year and 2 ½ years of age
- Heifers between 1 year and 2 ½ years of age

These sections will be sub-divided according to age and number of entries.

## Championships and Prize Money

There will be awards for:

- Best overall male £50, championship sash and rosette
- Reserve best overall male £25, reserve championship rosette
- Best overall female £50, championship sash and rosette
